

Expressions of Interest - Facilitator Role 2021

LG Professionals Tas is seeking a suitably skilled person to take on the role as Facilitator for the Australasian Management Challenge in 2021.

The Australasian Management Challenge is a competitive, simulation-based leadership program where councils from across Australia and New Zealand enter teams to undertake a series of tasks and events based on real local government situations and issues.

Our long-term Tasmanian Facilitator is stepping down after the 2020 Challenge. LG Professionals Tas is seeking a skilled person to take on the role as **Observer in 2020** and **Facilitator of the Challenge in 2021**. The role is to be offered for a minimum of three years.

The Facilitator will ideally have gained skills and experience of working in local government and/or demonstrated knowledge of local government and leading teams. Previous involvement in the Challenge would be an advantage to manage the event and ensure that a high-quality program is delivered in Tasmania.

An appropriately skilled person will be engaged as the Facilitator and will broadly meet the following criteria:

Experience

- Ideally has worked as a practitioner in local government, preferably at a senior level; and
- Has experience in leading teams.

Skills and Knowledge

- Has the capacity to be able to assess tasks and provide meaningful feedback to teams;
- Has a good understanding of the issues facing the local government sector; and
- Sound public speaking and presentation skills.

Desirable

- Has experience in delivering learning and development activities; and
- Has previously been involved in the facilitation of a Management Challenge Event.

Further Requirements

- Has the time and capacity to thoroughly review all the materials (tasks, marking criteria, schedule) prior to the event and deliver as specified; and
- This is a paid position and there is an expectation to accept the role for a minimum of three years.

If you would like to be considered for the role, please submit a one-page **Expression of Interest** that meets the criteria outlined above by **Friday 3 July**. Queries may be directed to Mary Frost on 0438 100 076.
